

Faith and Critical Theology

Richard B. Wells

© 2019

Table of Contents

Chapter 1 A Doctrine of Critical Theology

1. What is Theology?	pg. 1
2. Species of Theology I: Natural Theology, Moral Theology, and Revealed Theology	pg. 7
3. Species of Theology II: Argumentations	pg. 13
4. Theology as Critique	pg. 15
5. Points of Theological Inquiry	pg. 16
References	pg. 18

Chapter 2 The Unseen: Noumena

1. Speculation	pg. 20
2. Two-Worlds Dimensioning	pg. 22
3. The Horizon of Possible Experience	pg. 27
4. Critical Ontology	pg. 31
References	pg. 36

Chapter 3 In the Beginning

1. Did the Universe Have A Beginning?	pg. 39
2. Naive Beginning	pg. 42
3. Transcendental Dialectic and the Antinomies of Pure Reason	pg. 49
4. Critical Agnosticism and the First Article of Faith	pg. 54
References	pg. 58

Chapter 4 Faith Seeking to Understand

1. Seeking Within	pg. 60
2. Perennial Questions	pg. 64
3. Standpoints and Judgmentation	pg. 66
4. The Priority of Faith Over Belief in Critical Theology	pg. 73
5. Transcendent Hypotheticals	pg. 76
References	pg. 78

Chapter 5 The Theological Archetype

1. What Is Meant By "God"?	pg. 80
2. Perfection	pg. 83
3. The Phenomenon of Morality	pg. 88
4. Perfection and the Theological Archetype	pg. 96
References	pg. 101

Chapter 6 Faith in Divine Leadership

1. The Antinomy of Predestination	pg. 104
2. Choice and Free Will	pg. 107
3. Human Leadership and the Choice to Follow a Leader	pg. 116
4. Divine Leadership	pg. 119
References	pg. 125

Chapter 7 Innocent Foundations

1. Remark on the Critical Doctrine of Theological Method	pg. 127
2. The Synthesis in Sensibility and Affectivity	pg. 129
3. Reflective Judgment and Animating <i>Psyche</i>	pg. 139
4. The Phenomenon of Affectivity	pg. 146
5. Innocent Foundations	pg. 150
References	pg. 151

Chapter 8 The Apprenticeship of Life

1. The Affective "Me" and the Noumenal "Me"	pg. 154
2. The Noumenal World	pg. 155
3. The Question of an Afterlife	pg. 162
4. Learning as Self-Creation	pg. 168
5. Life as Apprenticeship for Afterlife	pg. 173
References	pg. 177

Chapter 9 The Ideas of Morality and Sin

1. God and Afterlife Theories	pg. 180
2. The Practicality of Morality	pg. 188
3. Socialization and Humanity	pg. 194
References	pg. 198

Chapter 10 The Nature of Moral Codes

1. Life	pg. 200
2. Obligation, Duty, and Deontological Morality	pg. 203
3. Duties to Oneself	pg. 208
4. Reciprocal Duties	pg. 215
5. Kant's Categories of Action and Moral Characterization	pg. 217
References	pg. 224

Chapter 11 Community

1. Freedom, Liberty, and Citizenship	pg. 227
2. Human Beings Have No Innate Social Instinct	pg. 230
3. Communities, Civil Communities, and Societies: Basic Definitions	pg. 232
4. Social Chemistry I: Interactions and Interpersonal Associations	pg. 236
5. Social Chemistry II: Stereotyping, Abstract Persons, and Granulation	pg. 240
6. Social Chemistry III: Factions and Toynbee Proletariats	pg. 244
7. Lessons of Empirical Community	pg. 248
References	pg. 249

Chapter 12 The Mystery of Afterlife

1. Transcendental Antinomy Regarding This Topic	pg. 251
2. The Logical Functions of Quantity and Quality	pg. 253
3. The Logical Functions of Relation	pg. 256
4. The Logical Functions of Modality	pg. 257
5. Dialectic Theorems of Afterlife	pg. 259

5a. Afterlife is seriated with grades of Community	pg. 261
5b. Afterlife does not imply immediate reunions with God	pg. 264
5c. Afterlife requires bodily resurrection	pg. 265
5d. People's afterlives are individualized by merit and virtue	pg. 267
5e. There is no hellish afterlife	pg. 270
6. Prologue to Chapter 13	pg. 272
References	pg. 272

Chapter 13 Purposive Orientation for Divine Community

1. The Aims and Methods of this Chapter's Doctrine	pg. 275
2. The Community as a Corporate Person	pg. 276
3. The Personality Style Circumplex and Human Personality	pg. 280
4. Corporate Personality	pg. 285
5. Doctrinal Implications of Corporate Personality	pg. 293
References	pg. 297
End Notes	pg. 300

Chapter 14 Perfecting Humanity in One's Own Person

1. Reconciliation, Versatility, and Cooperation	pg. 301
2. Optimizing the Motivational Dynamic I: <i>Personfähigkeit</i> and Equilibrium	pg. 306
3. Optimizing the Motivational Dynamic II: The Anthropological Person	pg. 310
4. Optimizing the Motivational Dynamic III: Approval of Taste	pg. 316
4A The Maxim of Patterning	pg. 323
4B The Maxim of Coalescing	pg. 324
4C The Maxim of Conceptualizing	pg. 326
4D The Maxim of Precisioning	pg. 329
References	pg. 331

Chapter 15 Challenges

1. Notions of Merit, Virtue, and Grace	pg. 333
2. Stereotyping and Propaganda	pg. 335
3. Bigotry	pg. 339
4. Racism: The Chameleon of Bigotry	pg. 342
5. Inclinations and the Notion of Sin	pg. 346
6. Extravagance in Reasoning	pg. 350
7. Extravagance in Religion	pg. 354
References	pg. 361

Chapter 16 Epistemic Faith

1. The Purpose of Theology	pg. 364
2. Why Does God Permit Evil in the World?	pg. 366
3. When Does a Human Being's Life Begin?	pg. 371
4. Aesthetic, Spirituality, and Supernature	pg. 376
5. Dialectic Anticipations of God and Afterlife	pg. 385
References	pg. 393

Chapter 17 Life After Life

1. What Does One Do in Afterlife?	pg. 396
---	---------

2. The Context and Ground of the Dialectic	pg. 399
3. The Empirical-Judicial Perspective in Critical Metaphysics: Rational Theology	pg. 402
4. The Primitive Functions of Aesthetical Reflective Judgment	pg. 403
5. The Ideal of Afterlife <i>Existenz</i>	pg. 406
6. The Power of a Person and the Power of Humanity	pg. 409
References	pg. 414

Appendix

1. The Critical Articles of Faith	pg. 416
2. Religious Definitions	pg. 416
3. Maxims of Civic Conduct	pg. 417
4. Maxims of Anthropology	pg. 417
5. Maxims of Approval of Taste	pg. 417
6. Dialectic Theorems of Afterlife	pg. 417
7. Animating Principles of Corporate <i>Personfähigkeit</i>	pg. 418
8. Glossary of Theological Terminology	pg. 418

List of Tables

Chapter 1

Table I: Categories of Religions by Population	pg. 4
--	-------

Chapter 13

Table 1: Kiesler's Sixteen Segment Descriptions	pg. 284
Table 2: Correspondences of Corporate Personality and Human Social Styles	pg. 286

List of Figures

Chapter 2

Figure 1: Illustration of Slepian's two-world (two facet) model	pg. 26
Figure 2: Phenomena, noumena, and the idea of the horizon of possible experience	pg. 28
Figure 3: Illustration of the synthesis and connection of concepts in the manifold of concepts ...	pg. 29
Figure 4: Illustration of the structure of a scientific ontology	pg. 33
Figure 5: The juncture of empirical concepts of Facet A and mathematical concepts of Facet B ...	pg. 35

Chapter 3

Figure 1: Synthesis of equilibrium under the law of the categorical imperative	pg. 46
Figure 2: Kant's twelve logical functions of understanding in judgment	pg. 50

Chapter 4

Figure 1: The logical organization of the synthesis of judgmentation	pg. 66
Figure 2: 1st level synthetic representation (1LSR) of a synthesis	pg. 67
Figure 3: The dynamical form of synthesis in judgmentation	pg. 68
Figure 4: The structure of thinking, judgmentation, and Reason	pg. 69
Figure 5: The synthesis in continuity for mind-body reciprocity	pg. 75
Figure 6: The structure of the synthesis of objectivity	pg. 77

Chapter 5

Figure 1: Transcendental perfection regarded functionally as synthesis of judgmentation	pg. 84
Figure 2: Organization of mental processes and information flows in the phenomenon of mind	pg. 85
Figure 3: Successive stages in rule development and moral judgment in children	pg. 89
Figure 4: Restaging of moral judgments	pg. 90

Chapter 6

Figure 1: Processes and information flows of human mental organization	pg. 111
Figure 2: Synthesis flow in the motivational dynamic	pg. 115
Figure 3: Stages of practical and cognitive rule development in the development of moral judgment	pg. 122

Chapter 7

Figure 1: Kant's categories of understanding	pg. 127
Figure 2: Logical structure of the synthesis in sensibility	pg. 130
Figure 3: Mathematical structure of the faculty of pure consciousness	pg. 131
Figure 4: Accretion model analogy of <i>materia sensibus</i> coalescing into an intuition in sensibility	pg. 133
Figure 5: The logical structure of noetic and psychic organization	pg. 135
Figure 6: Sensory-thalamo-cortical-motor network cross coupling in the human brain	pg. 141
Figure 7: 3LAR organization of the process of reflective judgment	pg. 142
Figure 8: 2nd level analytic representation (2LAR) of aesthetical reflective judgment	pg. 142
Figure 9: 2nd level analytic representation (2LAR) of teleological reflective judgment	pg. 142
Figure 10: 3LAR structure of <i>Lust per se</i> in the logical division of <i>psyche</i>	pg. 143
Figure 11: 2LAR organization of the applied metaphysic of affectivity	pg. 147
Figure 12: 2LAR organization of the natural schema of judgmentation	pg. 148
Figure 13: 2LAR organization of the act of affective perception	pg. 148
Figure 14: The organization of the synthesis in continuity	pg. 149
Figure 15: The organization of the presentment of Reality	pg. 149

Chapter 8

Figure 1: Critical epistemology's Organized Being model	pg. 156
Figure 2: Concept structure of the Organized Being model and its determinant judgments	pg. 157
Figure 3: A learner's learning environment and social interpersonal interactions	pg. 169
Figure 4: 2LAR of the idea of educational Self-development	pg. 169

Chapter 9

Figure 1: Critical organization of mental structure and functions	pg. 183
Figure 2: Timescape representation of the European Migration Period	pg. 186
Figure 3: Illustration of rules combined in the manifold to form polysyllogisms	pg. 191
Figure 4: The synthesis flow in the motivational dynamic	pg. 192
Figure 5: Developmental stages of moral judgment	pg. 195
Figure 6: Comparison of Kant's moral triangle with Christianity's moral triangle	pg. 196

Chapter 10

Figure 1: Successive stages of rule development in the child's development of moral judgment ..	pg. 205
Figure 2: Analytic formulas of theoretical and practical <i>officium</i> manifested in actions	pg. 206
Figure 3: The synthesis flow in judgmentation and the motivational dynamic	pg. 207
Figure 4: 2LAR structure of the Critical categories of understanding	pg. 212
Figure 5: Kant's representation of categories of actions	pg. 218
Figure 6: Two-person Weaver's model of interpersonal communication and interaction	pg. 221
Figure 7: Circumplex model of normal complementarity relationships	pg. 222

Chapter 11

Figure 1: Illustration of multiple simultaneous mini-Communities	pg. 234
--	---------

Figure 2: The three models of social relationships between an individual and his society	pg. 235
Figure 3: Social chemistry of a two-person interaction	pg. 237
Figure 4: The three basic types of interpersonal associations in in social chemistry	pg. 238
Figure 5: Two-person Weaver's model of interpersonal interactions	pg. 238
Figure 6: Illustration of the idea of granulated socialization of a person's society	pg. 241
Figure 7: Example of personal Community-building through association in mini-Communities ..	pg. 242
Figure 8: Illustration of enemy building through mini-Community association	pg. 243
Figure 9: Gear train analogy of social field effects	pg. 244
Figure 10: Illustration of a sociopolitical spectrum	pg. 245
Figure 11: Antibonding mini-Community granulation by uncivic interactions	pg. 246
Chapter 12	
Figure 1: 2LAR of logical functions of understanding	pg. 253
Figure 2: Euler diagrams of universal and particular predicate propositions in Kantian Logic	pg. 255
Chapter 13	
Figure 1: Hypothetical example of a Society granulated into mini-Communities	pg. 278
Figure 2: Illustration of a Society divided into castes comprised of divers mini-Communities	pg. 279
Figure 3: Personality style circumplex model	pg. 282
Figure 4: Hypothetical overlay of the manifold of rules on the personality style circumplex	pg. 282
Figure 5: The D-PIPOS model	pg. 283
Figure 6: Circumplex model of corporate personality governance	pg. 286
Figure 7: Illustration of the 1642-1760 evolution of New England townships	pg. 289
Figure 8: Corporate personalities of the Puritan New England and Rhode Island colonies	pg. 290
Figure 9: Corporate personalities of the Middle and Southern colonies	pg. 292
Figure 10: The three logical <i>momenta</i> of aggregation in the perfecting of a Society	pg. 295
Chapter 14	
Figure 1: 2LAR structure of the motivational dynamic and its synthesizing functions	pg. 302
Figure 2: A Community embedded within a larger Society	pg. 303
Figure 3: 4th level analytic representation (4LAR) of the Idea of the social contract	pg. 307
Figure 4: The empirical Enlightenment idea of the perfectibility of Man and his institutions	pg. 318
Chapter 15	
Figure 1: Mathematical organization of thinking and judgmentation structures	pg. 334
Figure 2: The circumplex quadrant of divine Community governance	pg. 339
Figure 3: The stages of the development of moral judgment	pg. 347
Chapter 16	
Figure 1: Timeline of neurogenesis in brain development	pg. 375
Chapter 17	
Figure 1: 2LAR organization of Critical ontology in Kantian metaphysics proper and their Objects	pg. 401
Figure 2: The primitive functions of aesthetical reflective judgment	pg. 403
Figure 3: 2LAR structure of the power of a person	pg. 410
